

# Data sheet

ID	<b>PAS</b>
Description	equipotential busbar
Properties	material: high impact strength, resisting PP, halogen-free
Usage	for indoor use

Norms: VDE 0618, Teil 1

Art. no.	Art.	Dimensions L x B x H	ps	pl
063 805	PASKlein	162 x 51 x 42 mm	100 pc	-

## Further technical details

Details	
connections round conductor total	8
connections round conductor 8 mm	7
connections round conductor 8-10 mm	1
connections flat conductor 30 mm	1
connections conductor to 25 mm <sup>2</sup>	7
connections conductor to 50 mm <sup>2</sup>	1
Material of contact rail	Brass
Surface of the contact rail	Nickel-plated
