

Data sheet

Part No.	PDM
Description	Perilex equipment box, halogen-free for Perilex equipment 16A, mounting screw space 67 mm, installation height 71 mm main box part PDM/M, fixing base BFD 68, bottom lid BOD 80
Colour	orange, similar to RAL 2004 green, similar to RAL 6029

Halogen free
True

Degree of protection (IP)
IP30

Art. no.	Dimensions	ps	pl
085 030	Ø 80 x 71 mm	5 pc	50 pc

Areas of Recommended Application

Area	
break-out opening	True
seal membrane	False
nozzle	False
step membrane	False
Mounting switching equipment	Screwing
Luminaire hook mounting	False
Nozzle	None
With nail lugs	False
Circuit integrity	None

Further technical details

Details	
Model	Single
Shape	Round
Mounting method	Concrete building
With screws	False
Provided with revolving ring	False
Connectable	True
Equipped with	None
Cover attachment	Snap on
Material	PE
